NEFRA

by Debbie Prokop

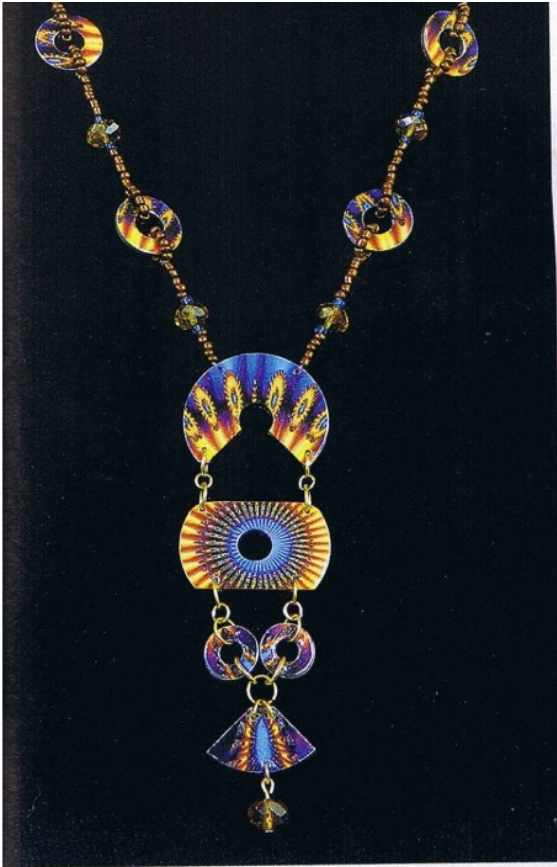

Nefra was created using resistors and glass seed beads.

TIMELESS

by Debbie Prokop

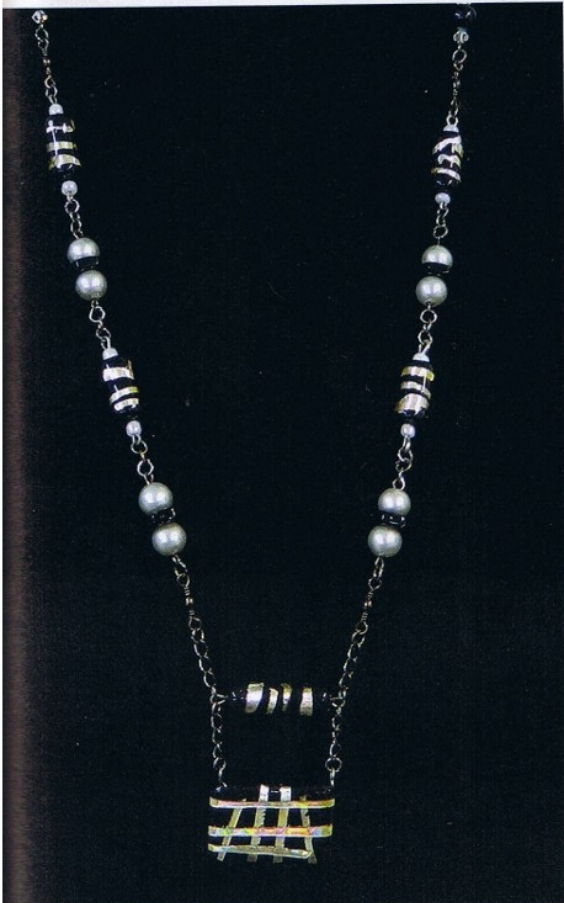

Timeless was created by cutting and drilling washers, and then embellishing each with a colorful pattern.

ENKI

by Debbie Prokop

Enki was created out of washers that were cut, drilled and embellished with a colorful pattern.

SPIRIT

by Debbie Prokop

Spirit was created by decorating a flat capacitor and several resistors with foil reclaimed from old CDs.

Necklaces

PATINA

by Debbie Prokop

Patina was created by drilling and connecting copper washers using jump rings.
